

THE
TOPSOIL
SUMMIT

Built for 45Z

2026 SPONSORSHIP PACKAGES

In 2025, our theme Connect to Elevate focused on building relationships and collaboration across the ag value chain. In 2026, we're taking the next step with Built for 45Z—focusing on the systems, data, and partnerships needed to position farmers and biofuel players for emerging opportunities around Carbon Intensity and the 45Z tax credit.

Last year's Summit welcomed nearly 400 attendees, and we expect even greater participation in 2026. The event continues to provide a powerful platform for networking, knowledge exchange, and collaboration across agriculture and the biofuels industry.

Why Sponsor the TopSoil Summit?

As a valued partner in our industry, we believe that your company's participation as a sponsor would greatly enhance the success and impact of our event. We have carefully crafted a range of sponsorship packages to suit varying budgets and objectives.

TopSoil Summit Sponsors have the opportunity to:

- ✓ Enhance brand reputation
- ✓ Forge meaningful connections & gain significant visibility
- ✓ Showcase your products & services

Learn more about our sponsorship opportunities on page two and if you have questions or are ready to sign up, **email us at marketing@continuum.ag**.
